The Yang Wood Rat brings influences that benefit wood industries in particular. Equity markets should see strength during the first half, while earth related industries are likely to enjoy good profits and wealth during the second half.

Industries that are likely to perform well: Fire, Wood and Earth.

Metal industries: Gold, metal products, hardware, engineering, automobile, heavy equipments, precision oriented industries, etc.

Water industries: Shipping, water treatment, beverage, logistic, transportation & communication, etc.

Fire industries: Equity, hospitality, service oriented, media, entertainment, beauty, energy, etc.

Earth industries: Property, coal mines, insurance, health care, banking, etc.

Wood industries: Agriculture, education, paper, fashion timber, management, food, etc.

and stability. The rest of the days are weak and not performing well.

8 DECEMBER – 12 DECEMBER

Market is unlikely to see strength this week since water takes precedent and dominates the energy. Should there be any strength it should be on 8th and 12th Dec.

15 DECEMBER – 19 DECEMBER

The market is unlikely to perform well since metal and water dominate the week. Should there be any strength or signs for a weak pick up, it is likely to be on 19th Dec.

22 DECEMBER – 26 DECEMBER

Market has some potential for strength this week from 22nd and 23rd. 24th has strength in the beginning and slow down from noon onwards. The rest of the week is confusing and weak.

FENG SHUI ADVICE:

Wealth stars are in the West and North West sectors this month. Place your portfolio in one of these locations to benefit from the wealth chi. Avoid using South and East as the sickness star brings sluggishness and obstacles.
