

## FINANCIAL FORECAST FOR 5 JAN TO 3 FEB 2010

**T**he Yin Fire Ox will bring potential strength to the Earth element, which will further weaken equity markets especially during the second half of the month. Equity markets may be seen trying to gain strength during the first half of the month while earth related industries are likely to enjoy good profits and wealth during the second half. Metal and Water industries are likely to be weakened as a result of heavy earth.

**Industries that will do well this month:** Fire and Earth.

**Metal industries:** Gold, metal products, hardware, engineering, automobile, heavy equipments, precision oriented industries, etc.

**Water industries:** Shipping, water treatment, beverage, logistic, transportation & communication, etc.

**Fire industries:** Equity, hospitality, service oriented, media, entertainment, beauty, energy, etc.

**Earth industries:** Property, coal mines, insurance, health care, banking, etc.

**Wood industries:** Agriculture, education, paper, fashion, timber, management, food, etc.
