

FINANCIAL FORECAST FOR 6 JUNE TO 6 JULY 2010

Helen Ong, a bilingual post-graduate in Strategic Marketing from Chartered Institute of Marketing (UK), despite having many years of experience in business strategic planning, has propelled to be one of the most highly-endorsed and in-demand Metaphysics consultants in Asia's corporate and residential arena.

The month of June will be under the influence of Yang Water Horse. Water, dominating the first half of the month, brings control and dampens the financial market. Market is likely to be volatile. There will be good chance to see strength during the second half of the month when fire sends fuel to the equity markets.

Industries that will do well this month: Water, Fire and Earth.

Water industries: Shipping, water treatment, beverage, logistic, transportation & communication etc.

Fire industries: Equity, hospitality, service-oriented, media, entertainment, beauty, energy etc.

Earth industries: Property, coal mines, insurance, healthcare, banking etc.

Metal industries: Gold, precious metal, automobiles, engineering, hardware, law enforcement agencies, high technology, jewelry, semiconductor etc.

Wood industries: Agriculture, education, paper, fashion, timber, management, food etc.

Overall Weekly Views

31 May – 4 June

Market is unlikely to do well this week with metal and water dominating, except for 3 and 4 June, when the presence of wood element will aid in bringing strength to the equity market.

7 June – 11 June

Market is unlikely to perform well this week with earth and metal dominating the market, barring 9 June, which seems to have potential for some strength.

14 June – 18 June

Market is likely to perform well this week with wood and fire giving support to the market.

However, market is likely to experience a slow down during 17 and 18 June.

21 June – 25 June

Market is likely to show weakness at the beginning of the week. Signs of strength can be seen from 23 June onwards. Market is likely to do well for the rest of the week with wood and fire supporting the market.

28 June – 2 July

Market is unlikely to do well this week with earth, metal and water influencing the equity market. It is likely to be slow and weak.

Feng Shui Advice

South East brings recognition and fame for those who have been working towards these goals.

North East, East and South bring obstacles, sickness and confusion. Avoid making major decisions in these sectors.

West and North West bring wealth-making opportunities. Use these areas for financial decisions.

North is likely to experience sudden changes and disputes. **SH**
